

Transport Access Program

Blacktown Station Upgrade

OUT OF HOURS WORK NOTIFICATION

FEBRUARY 2018

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Transport for NSW recently upgraded Blacktown Station to provide:

- a new pedestrian footbridge connecting the Richmond Line concourse with the main concourse
- new lift and stairs connecting Platform 3 to the new footbridge
- new stairs, upgraded lift and weather protection canopies on platforms 1 and 2.

Night works

To minimise disruption to passengers, some work activities will be undertaken at night including the installation of down pipes on all columns underneath the new concourse. These activities will be carried out during the following periods:

- **Wednesday 21 February and Thursday 22 February 2018 from 6pm to 5am each night.**

These activities have been planned to minimise noise and limit the impact on local residents.

During these works the **George Street T-way** leading to the roundabout will be **CLOSED** to buses between **8pm to 5am**.

Diversion routes will be in place and buses will access the Blacktown bus interchange via Third Avenue. The following changes to bus services will be in effect:

- **Stand L bus services 611 and 630 will be relocated to Stand H**
- **Stand K bus services 705 and 711 will be relocated to Stand H**
- **CDC Hillsbus services 705 and 711 will be temporarily suspended from Devitt and Sackville T-way bus stops.** To access services 705 and 711, please use the bus stop at **Sackville Street before Peter Street.**

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Signage will be installed to notify passengers of these changes. Traffic controllers will be on duty to assist with safe vehicle movements.

What equipment will be used?

Equipment that may be used includes elevated work platforms, mobile light towers, and power and hand tools.

Some of the works may be noisy. Every effort will be made to minimise the impact to commuters, nearby residents and businesses. Where required, traffic controllers will be on site to facilitate safe pedestrian and vehicle movements.

Construction hours

All other work will continue to be carried out during standard construction hours which are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**. The community will be notified of any works outside of these hours prior to the works commencing. We apologise for any inconvenience caused and thank you for your cooperation during these important works.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on 131 450 and ask them to call Transport for NSW on (02) 9200 0200. The interpreter will then assist you with translation.
