

Transport Access Program Birrong Station Upgrade Have your say

The NSW Government is improving accessibility at Birrong Station

Have your say on the proposed improvements to Birrong Station. Key features include:

- a new pedestrian footbridge on Rodd Street to provide access over the rail corridor
- a new lift connecting the new pedestrian footbridge with the station platform
- two accessible parking spaces
- improved kiss and ride area
- landscaping at station entrances
- improved amenities such as new male and female ambulant toilet, an upgraded family accessible toilet, CCTV, lighting and wayfinding.

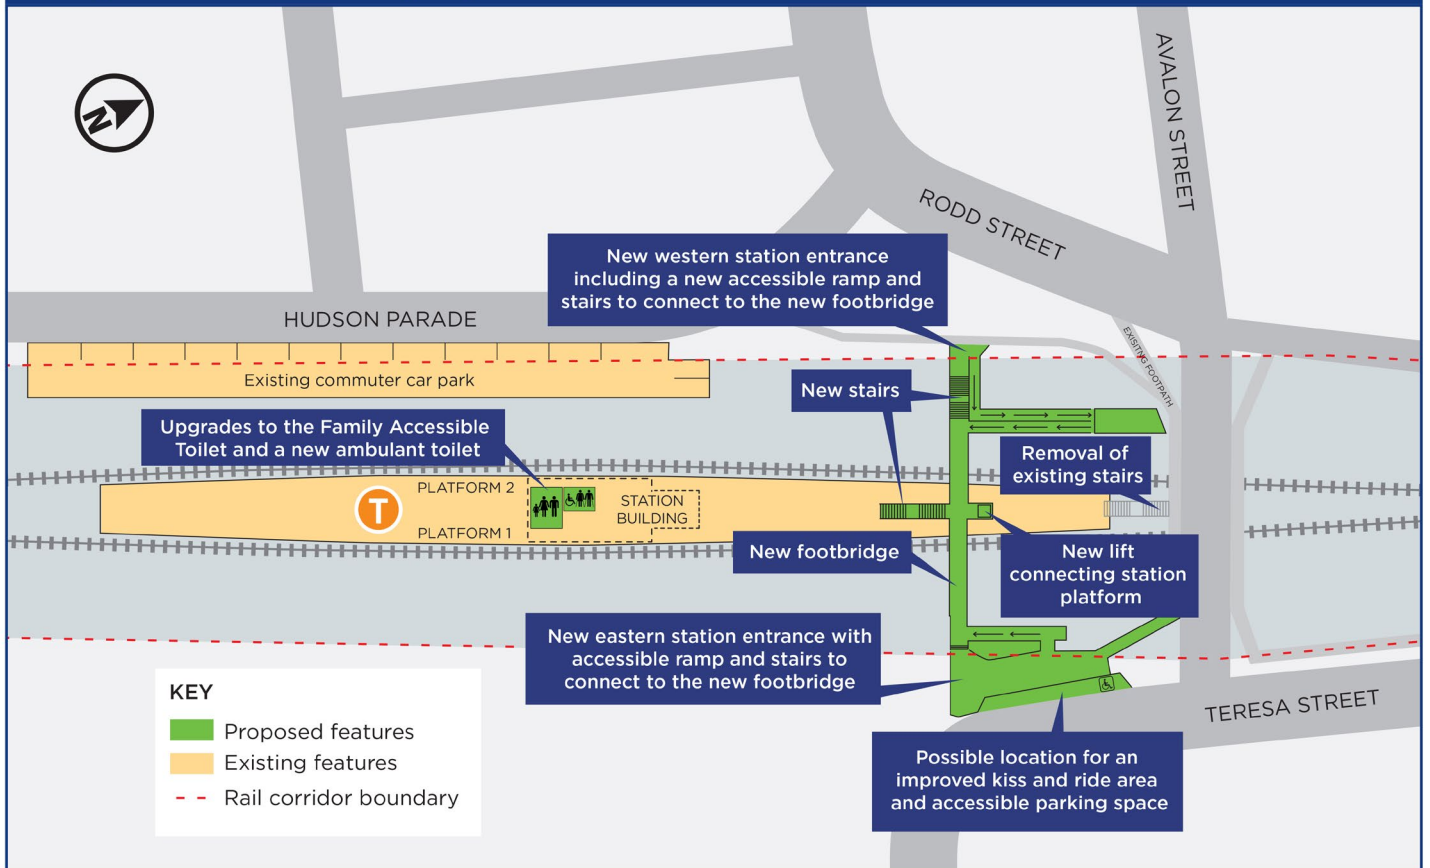

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Birrong Station Upgrade will provide a station that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

Key features of the proposal

Key features of the proposed Birrong Station upgrade.

Have your say

The Review of Environmental Factors is on public display from **Wednesday 4 December 2019** until **Wednesday 18 December 2019**, and community feedback is invited during this time.

To view the REF, please scan the QR code or visit:

- www.transport.nsw.gov.au/birrong
- www.nsw.gov.au/improving-nsw/have-your-say/birrong-station-upgrade
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Canterbury - Bankstown Customer Service Centre**
66 - 72 Rickard Road, Bankstown
- **Regents Park Library**
1 Amy Street, Regents Park

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program - Birrong Station Upgrade**
Associate Director
Environmental Impact Assessment
Transport for NSW
Locked Bag 6501
St Leonards NSW 2065

Please provide your feedback by **5pm Wednesday 18 December 2019**.

Your feedback will help Transport for NSW understand what is important to customers and the community.

Visit the Transport Access Program website at www.transport.nsw.gov.au/birrong or scan the QR code to leave your feedback on the proposed station upgrades.

Next steps

Subject to planning approval, construction is expected to commence on site in mid 2020 and take up to 18 months to complete.

Development of an initial concept design for the project.

We are
here

Review of Environmental Factors (REF) prepared for public display and community feedback.

Transport for NSW reviews and responds to feedback from the community within a Determination Report.

Determination made whether project proceeds or not, detailing any changes to be made to the project scope.

Construction commences.

Come and meet the project team

The Transport for NSW project team will be located at Birrong Station on **Tuesday 10 December 2019** from **4:30pm-6:30pm** to answer any questions you may have on the project.

Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

The Review of Environmental Factors (REF) is a planning document outlining the proposed work, potential impacts and mitigation measures.

The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Biodiversity, Visual Impact, Noise and Vibration and Heritage.

Artist's impression of the proposed Birrong Station upgrade, subject to detailed design

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
