

Transport Access Program

Banksia Station Upgrade

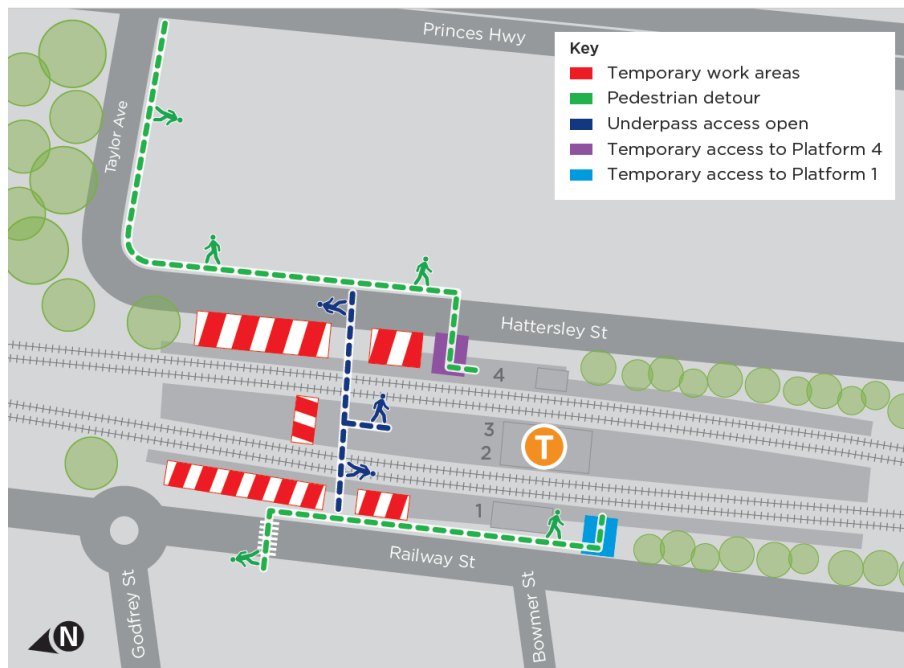

Project Update

January 2021

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Access has changed at Banksia Station

Until **mid-2021**, the station entries to **platforms 1 and 4** have been temporarily relocated to enable construction work as part of the upgrade. Temporary stair access has been provided to both platforms 1 and 4. Please see below map for location and pedestrian detours.

Temporary parking impacts

In January 2021, trenching work will take place along Hattersley Street for stormwater drainage installation. For the safety of workers and customers, up to four parking spaces will be temporarily unavailable in this area of while this work is completed.

To allow for construction vehicles to move safely around the site and for deliveries, parking is also temporarily unavailable until **mid-2021** in the following locations:

For more information call 1800 684 490,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/banksia

- three parking spaces on Taylor Avenue
- 12 parking spaces on Hattersley Street.

We apologise for the inconvenience and thank you for your patience while we complete this work.

Upcoming work

Work activities in January include:

- demolition work in the station underpass and station structure
- preparation work to the station buildings on the station platforms, subject to approval
- excavation and piling work on Railway Street, Hattersley Street and the underpass for new lift pits
- installing scaffolding and starting work on lift shafts
- excavation for new stairs on platforms 1 and 4
- electrical work on Hattersley Street including installing a new electrical transformer
- excavating, trenching and installing new storm water drainage on Hattersley Street, Railway Street and in the underpass (impacts to street parking will occur, please see below for details)
- tree trimming to enable the construction of future canopies on platforms 1 and 4
- taxi zone on Railway Street will be intermittently unavailable during work near the station entrance
- temporary pedestrian detours on Railway Street and Hattersley Street where required.

Equipment to be used includes a city crane, franna crane, excavator, piling rig, tipper trucks, delivery trucks, excavators, vacuum truck, hand tools, ground compaction equipment and concrete trucks.

Traffic control will be in place intermittently to provide safe pedestrian and vehicle movements around the worksite. Some on street parking in surrounding streets may be temporarily used by trucks for deliveries.

Wherever possible, measures to reduce noise will be in place, this includes turning equipment off when not in use, positioning equipment as far away from residents and businesses as possible, using non-tonal reversing beepers and stopping work for respite periods.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, customers and the community some work may be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website www.transport.nsw.gov.au/banksia.

If you would like to be added to the project distribution list, or for more information about the Banksia Station Upgrade, please contact us on 1800 684 490 or email projects@transport.nsw.gov.au. For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
