

Transport Access Program

Beecroft Station Upgrade

Project Update

January 2021

Artist's impression of the new lift location looking from Wongala Crescent, subject to detailed design

Upcoming work

The Beecroft Station upgrade is underway with all piling for the Wongala carpark lift area now complete. Work will continue in January and will include:

- concrete and excavation work for the lift foundations at the Wongala Crescent lift work area
- piling, concrete and demolition work within the old booking office (in the pedestrian underpass)
- installation of site fencing along the footpath between the Sutherland Road commuter car park and at the eastern entrance of the pedestrian underpass, to enable the removal of spoil from the station building.

Equipment to be used includes a piling rig, excavator, concrete trucks/pumps, delivery trucks, truck-mounted crane, power tools and hand tools.

Changes to the bicycle rack

The existing bicycle rack was temporarily closed and relocated in December to allow construction activities to occur.

Ongoing station access changes

The stairs and ramp between Wongala Crescent commuter car park and the station will remain closed until **late 2021**, to allow for construction work to be carried out. Customers can continue to access the station via the ramp and pedestrian underpass tunnel.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of our workers, rail customers and the community, some station upgrade work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any out of hours work takes place.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website: transport.nsw.gov.au/beecroft.

For further information on the project please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.

For more information call **1800 684 490**.
