

# Transport Access Program

## Beecroft Station Upgrade

Project Update

October 2020

*Artist's impression of the new lift location, subject to detailed design*

### Upcoming work

Construction is progressing well with site establishment and investigation activities currently underway.

Work will continue throughout October and will include:

- removal and protection of glass artworks within the garden bed near Wongala Crescent where the new lift will be installed
- installing fencing and hoarding (around the lift area in the Wongala Crescent Commuter Car Park)
- commencement of lift foundations at the Wongala Crescent lift area
- demolition and concrete work within the old booking office (in the pedestrian underpass).

Equipment to be used includes a piling rig, vacuum excavation truck, excavator, concrete trucks/pumps, delivery trucks, truck-mounted crane, power and hand tools.

### Temporary commuter car park changes

**From 7am Monday 19 October 2020 until late November 2021**, approximately 4 spaces in the south-western corner of Wongala Cresecent Commuter Car Park will be used to allow work to be carried out.

Two accessible parking spaces have been temporarily relocated from Wongala Crescent Commuter Car Park to Sutherland Road Commuter Car Park. Untimed parking is also available on nearby streets.

For more information call 1800 684 490.

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [www.transport.nsw.gov.au/beecroft](http://www.transport.nsw.gov.au/beecroft).

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465

## Temporary traffic, access and parking changes

During the upgrade, temporary traffic and access changes for pedestrians and motorists may occur around Beecroft Station.

Traffic control and signage will be in place to help pedestrians and motorists with all temporary changes.

## Artwork – Wongala Crescent

The glass artworks which were installed at the completion of the Epping to Thornleigh Third Track (ETTT) project by artists Amanda Kay and Jerome Dobinson and the community will be temporarily removed in the month of October and stored off-site to ensure their preservation during the upgrade work. The re-installation location is to be decided in consultation with Hornsby Shire Council and the artists.

## Weekend work – 5 October

Work will occur on **Monday 5 October 2020** (NSW public holiday) from **6am to 6pm** to enable electrical service upgrades. Equipment to be used includes power and hand tools. **This work will not impact electricity services on residential or commercial properties.**

This work is schedule to coincide with a Sydney Trains trackwork weekend when trains do not operate. The pedestrian tunnel will remain open. For up to date information about replacement services during these times please visit [transportnsw.info](http://transportnsw.info) or call **131 500**.

## Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, rail customers and the community, some station upgrade work will be completed outside standard construction hours. Nearby residents and businesses will be notified before out of hours work takes place.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website: [transport.nsw.gov.au/beecroft](http://transport.nsw.gov.au/beecroft).

For further information on the project please call the Project Infoline on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).
