

Transport Access Program

Banksia Station Upgrade

Project Update

September 2021

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams and customers with luggage.

Weekend work in September 2021

For the safety of our workers, pedestrians and motorists, work will take place during a scheduled Sydney Trains trackwork period, when the trains are not running. Work will take place between **6pm Friday 10 September and 7am Monday 13 September**, weather permitting. Activities during the weekend will include:

- Glazing installation on Platform 1
- Stormwater and utilities installation on Platform 4
- Spoil removal and area reinstatement at the Railway Street laydown area
- New station electricity supply cutover
- Refurbishment of stairs to platforms 2 and 3.

Equipment to be used includes excavators, hi-rail plant, hi-rail dump truck, hi-rail work platforms, scissor lifts, scaffolding, trucks, generator, ground compaction equipment and powered hand tools. This work will be noisy at times. Wherever possible measures to reduce noise will be implemented, including scheduling noisy work during daytime hours, turning off vehicles and equipment when not in use, monitoring noise, using non-tonal reversing beepers and acoustic barriers.

Please visit www.transportnsw.info or call **131 500** for up-to-date information about service updates and replacement buses during this time.

Pedestrian access changes from Friday 10 September to Monday 13 September

From **10pm Friday 10 September to 4am Monday 13 September**, access to platforms 2, 3 and 4 will be temporarily closed. Buses will be in place to replace trains during this time. The underpass will remain open for pedestrians. Traffic control and signage will be in place on Railway Street to direct pedestrians and motorists during the weekend as plant equipment is moved to and from the area. Please follow the directions of traffic controllers and signage.

Ongoing pedestrian access and parking changes

Three parking spaces on Taylor Avenue are temporarily unavailable as they are being used for construction vehicles and deliveries. The taxi zone on Railway Street will be unavailable at times during work near the station entrance. These changes will be in place until the end of 2021.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/banksia

Other upcoming work

Work will continue in September and includes:

- Rectification work around the station
- Installation of glazing
- Finishing work to the ambulant bathroom
- Testing and final commissioning for all new lifts
- Installation of tactile surfaces on Platform 4
- Railway Street regrading work
- Downpipe installation on all remaining canopies.

Equipment to be used includes tipper trucks, delivery trucks, excavators, asphaltting equipment, vacuum truck and powered hand tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays**. For the safety of staff, customers and the community some work may be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and online updates published to the project website www.transport.nsw.gov.au/banksia. If you would like to be added to the project distribution list, or for more information about the Banksia Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

Please also contact us if you would like to discuss how we can support students studying for HSC exams while work is carried out.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

We apologise for the inconvenience and thank you for your patience while we complete this work.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
