

Transport Access Program

Banksia Station Upgrade

Project Update

April 2021

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Bus stop relocation from Tuesday 20 April

From **Tuesday 20 April** until **Friday 18 June**, the bus stop on Railway Street will be relocated to a new temporary location around 60 metres south of its current location, as shown on the map below.

This relocation is required to enable construction of the new footpath and kerb to be completed on Railway Street.

Up to 6 parking spaces will be unavailable during this period. Alternative parking is available in surrounding streets.
