

Transport Access Program

Beecroft Station Upgrade

Project Update

July 2021

The Beecroft team completed a significant amount of scope during the June 2021 work weekend. The following was achieved:

- installation of platform canopy (*pictured above*) and platform drainage network
- regrading and resurfacing to the country end of the platform
- continued work to upgrade the station communication services and power supply
- installation of brickwork to the heritage lantern Building.

Work to upgrade Beecroft Station will continue in July and includes:

- continuation of the refurbishment of the existing platform toilet facilities to convert the bathroom into a family accessible toilet
- continuation of electrical and communication services upgrade work
- excavation and concrete work associated with the replacement of the existing footpath between the station and Sutherland Road Commuter Car Park.

Equipment to be used includes excavators, concrete trucks/pumps, asphaltting equipment, delivery trucks, cranes, power tools and hand tools.

Weekend work – 6am Saturday 24 July until 3am Monday 26 July 2021

Weekend work will be carried out continuously from **6am** on **Saturday 24 July** until **3am** on **Monday 26 July 2021** during a scheduled Sydney Trains track work weekend when trains are not

running and the **station is closed**. The work will include:

- regrading and resurfacing to the city end of the platform
- asphalt the area near to lifts
- paint and install louvre windows to the heritage lantern building
- installing tactiles to the platform.

Equipment to be used includes excavators, concrete trucks/pumps, asphaltting equipment, mobile work platforms, mobile lighting towers, delivery trucks, cranes, power tools and hand tools.

All equipment will be positioned as far away from residential areas as possible and breaks will be used to provide respite during noisy work.

As the station is closed, the **pedestrian underpass will also be closed** during the July weekend work. Please use local streets to cross the rail corridor at Copeland Road and Sutherland Road.

Temporary changes to Sutherland Road Commuter Car Park

6am on Saturday 24 July until 3am on Monday 26 July 2021, the car park will be closed to allow for construction vehicles including a elevated work platforms, large deliveries and resurfacing work to be carried out. Please use the remaining parking spaces on local streets or park within the Wongala Crescent Commuter Car Park. Signage will be in place to help pedestrians and motorists with the temporary changes.

Station toilet closed – temporary toilet available

The existing toilet in the station building will be continue to remain closed **until late July 2021** while it is upgraded to a family accessible toilet. The final piece of work to enable the toilet to reopen for use will be the platform resurfacing work scheduled during July weekend work.

A temporary unisex toilet is available for use at the Sutherland Road entrance to the pedestrian tunnel. The temporary toilet is available during station opening hours. Signage is in place to help with this temporary changes.

Ongoing station access changes

The stairs and ramp between Wongala Crescent Commuter Car Park and the station will remain closed until **late 2021**, to allow for construction of the new lift to be carried out. Customers can continue to access the station via the ramp from Wongala Crescent, and the pedestrian underpass tunnel.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**. For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website: transport.nsw.gov.au/beecroft.
