

Clarendon Station Upgrade

Community Notification – October 2022

Transport for NSW is upgrading Clarendon Station to make it easier for everyone to access public transport, including people with a disability or limited mobility, parents/carers with prams and customers with luggage.

Upcoming work

Work activities for October will include:

- upgrades to the existing toilet building and utility services
- relocation of light poles to the back of the platforms
- installation of wayfinding signage

The existing unisex toilet will remain open during upgrades to the toilet building.

Equipment to be used includes trucks, elevated work platforms, lifting aids, power and hand tools.

The Clarendon Station Upgrade project team planting 120 native saplings at the Hawkesbury Riding Club

Getting involved

The Clarendon Station Upgrade project team joined Landcare NSW in late August to plant 120 native trees at the Hawkesbury Riding Club for future shade and increased biodiversity.

The planting day was part of a Landcare initiative with the Greater Sydney Landcare Network to plant 100,000 trees to increase tree canopy and green cover across Greater Sydney.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.**

For the safety of staff, customers and the community, some work may be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

We will continue to keep the community informed with regular project updates.

Further information is available on the project website transport.nsw.gov.au/clarendon-station-upgrade.

If you would like to be added to the project distribution list, or for more information on the Clarendon Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

Translating and interpreting service
