

Finishing works at Denistone Station Upgrade

Transport Access Program
November 2023

Transport for NSW acknowledges the Wallumedegal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Transport Access Program has made Denistone Station easier to access for everyone.

What work are we doing?

In November, we will carry out finishing works to complete the upgrade. This includes:

- installing wayfinding signage throughout the station
- doing some touch-ups (patching, painting, concrete repair, welding)
- packing up the site offices
- resurfacing the Kinson Crescent car park

During this period, our normal work hours are 7am to 6pm Monday to Friday and 7am to 1pm on Saturdays.

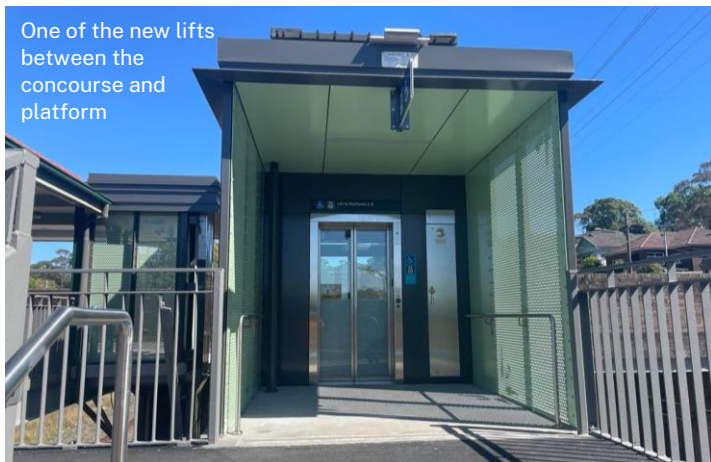

What will this mean for you?

The Kinson Crescent car park will be temporarily closed for up to two weeks while we pack up and remove our site offices and resurface the area.

Managing our work

We aim to manage our work to avoid disturbance to the community and the environment. This includes:

- fencing for safety and security
- reducing noise as much as possible
- traffic controllers and signage.

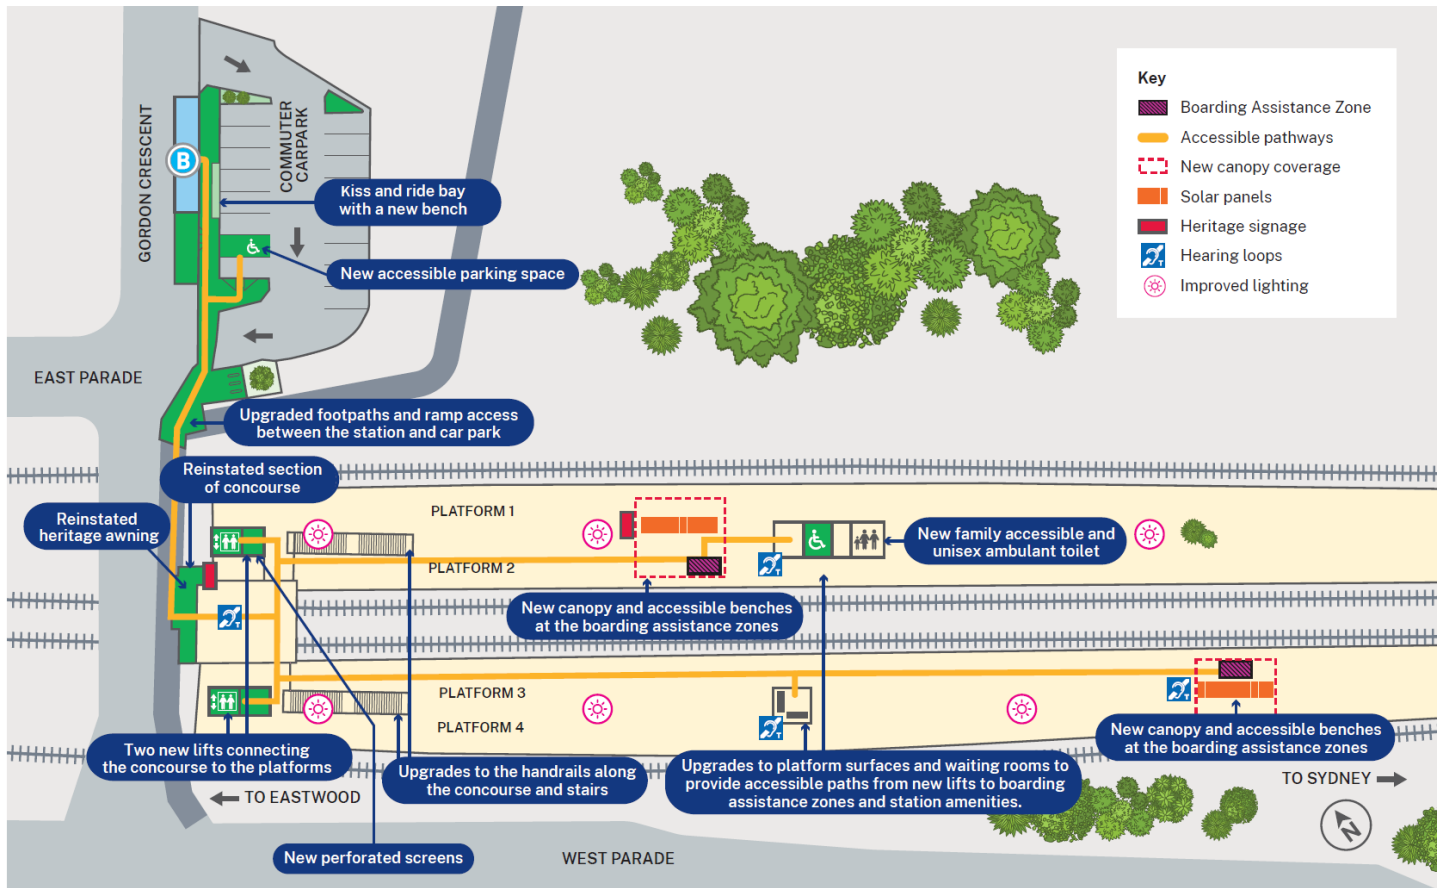

One of the new lifts between the concourse and platform

The new canopy over the boarding assistance zone on Platform 1 and 2.

Location of work area

The Transport access program has delivered a better experience for Denistone Station passengers with:

 Upgraded waiting areas	 Improved safety for passengers and staff	 Improved access for passengers with assisted and unassisted mobility needs	 Improved access for passengers with prams and bikes
		 Better protection from wind, rain and sun	 Increased lighting, CCTV and wayfinding
